Bachelor's Of Engineering in Information Technology

[sumitmandan](#)

Hanumangarh town, Rajasthan

## SUMMARY

I am a highly motivated second-year Information Technology undergraduate who is deeply passionate about leveraging technology to solve real-world problems. With a keen interest in both design, development and Robotics. I am driven to explore the intersection of creativity and functionality. Eager to apply my growing knowledge and skills to contribute meaningfully to innovative projects and learn from experienced professionals in the field.
